SUMMER DIG INFORMATION

Angelica Nurseries digs stock throughout the summer months. Summer digging is a more complex process requiring extra time and labor to insure viability. Plant material is watered a full day prior to digging by either auger or plant collar. Ball sizes are increased to further maximize water retention. After removal from the field, the plants are transported through an overhead watering boom and placed in a "hardening off" area to acclimate before shipping. Summer dig charges apply and are announced prior to their implementation.

AVAILABILITY AND ORDER PROCESS

Availability

Most of the inventory for fall and spring will be committed by the end of October, so place your balanced mix order early to assure availability. September 1 is our first draw for spring orders. All material is subject to availability at time of shipping. Fall shipping is a priority. We reserve the right to make substitutions unless customers specify otherwise.

Quotes

We welcome the opportunity to provide price quotes on current or prospective plant requirements. We suggest these requests be faxed or emailed. All prices are valid for fifteen days unless otherwise specified.

Load Minimums

We have explicit order minimums. Individual orders delivered to a single ship to location should exceed \$4,000 in total. All customer pick-up orders should exceed \$2,000 in total.

Quantity Minimums

We require all peak season draws to meet or exceed the following minimums per variety and size for delivery or pickup:

Container Stock

#3 and smaller	15
#5 to #15	10
Larger than #15	5
Boxed Specimens	1

Deciduous Shrubs

4 to 5 ft. and smaller	25
5 to 6 ft. and larger	10

Commodity Evergreens

4 to 5 ft. and smaller	15
5 to 6 ft. and larger	10

Specialty Evergreens

Available sizes	5
-----------------	---

Shade & Ornamental Trees

2½ in. caliper and smaller	10
Larger than 2½ in. caliper	5

THE ACKNOWLEDGEMENT PROCESS

Acknowledgement Form

Angelica's acknowledgment form includes botanical names, sizes, and prices as well as billing and shipping information. Customer orders are considered requests until they have been acknowledged.

Applicable Rate Pricing

The applicable rate pricing shown on the acknowledgment assumes the individual variety will be dug and delivered, or picked up, at one time. If an acknowledged line item is later broken out to multiple ship dates, or several locations, the invoice pricing will reflect applicable quantity rates.

Pre-Payment

A 100% pre-payment is required from customers without approved credit. Pre-payments are due within 30 days of the acknowledgment date unless the requested ship date necessitates payment sooner to expedite order processing.

Acknowledgements

Acknowledgements are mailed by September 15 to customers who have requested material for fall and spring. For spring requests, this acknowledgment serves as a projection, not a confirmation.

Re-Acknowledgement

Re-acknowledgments are mailed by December 31 to customers who have requested material for the spring season. This process confirms on-order balances and notifies customers of any substitutions or changes after fall business and inventory calculations have been completed. All items are subject to availability at the time of shipment.

Cancellations and Order Changes

Notice of cancellation or changes to spring season orders must be received by February 1st. Cancellations at other times of the year must be received at least fourteen days prior to requested shipment date. Customer cancellations not made in accordance with this policy will be considered when evaluating customer discounts.

If cancellations are not made in advance as defined above, and the canceled material has been dug, it is subject to a 25% cancellation charge. If the canceled material has been graded and tagged, but not dug, it is subject to a 10% cancellation charge.

Note: We do not acknowledge new season orders until prior season account balances are paid in full.

SUMMARY TERMS AND CONDITIONS OF SALE

Summary Terms

All plant material or other goods or services provided by Angelica Nurseries, Inc. ("Angelica") to Customer and all purchase orders placed by Customer for such goods or services are subject to these Summary Terms as well as the Order and Sale Conditions published in Angelica's catalog. Customer agrees that the terms or conditions of any purchase order which are in any way inconsistent with or in addition to these Summary Terms or the Order and Sale Conditions published in Angelica's catalog will not be binding upon Angelica and will be considered inapplicable to the sale unless expressly agreed to in writing by an authorized officer of Angelica.

Sales Tax

Angelica may be subject to the sales and use tax collection requirements of any state in which material is delivered. Customer will provide any sales and use tax exemption information it may have for states in which it will have material delivered. These exemptions must be state specific and must be provided prior to invoicing. Without this information, Angelica may be obligated to charge sales and use tax. All orders picked up at Angelica by the customer are subject to Maryland sales and use tax unless Customer provides a resale certificate bearing Customer's Maryland sales and use tax registration number.

Deposit

Customer is responsible for rendering full payment to Angelica via cash, check, or (in acceptable cases) credit card prior to delivery unless Angelica has received, processed and approved a credit application and notified Customer in writing of agreed credit terms in advance of delivery. Terms for customers with established credit are net thirty (30) days.

Late Payment

Late payment will constitute a default of this Agreement by Customer and will be subject to a late charge at a rate equal to two percent (2%) per month multiplied by the unpaid principal balance. If collection is commenced to enforce Customer's performance, Customer will reimburse Angelica for all costs and expenses associated with said enforcement, including attorney's fees.

Delivery Inspection

Customer will inspect all plant material immediately upon delivery. Any claim of damage, shortage, non-compliance with the agreed order, or other deficiencies must be made in writing within five (5) days of Customer's receipt of the order or are waived by Customer. Damaged material must be returned for consideration of full credit.

Warranties

Angelica makes every effort to grow and ship top quality plant material. Due to the multitude of environmental and other conditions outside of Angelica's control, Angelica does not guarantee or provide any warranty on any plant material sold. ANGELICA SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES INCLUDING THE WARRANTY OF MERCHANTABILITY AND THE WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE. Thus, THE RISK OF LOSS of any plant material provided by Angelica passes to Customer immediately upon shipment by Angelica.

Refunds

Customer's sole remedy for any claim arising out of any order for material supplied by Angelica will be a refund of monies paid by Customer to Angelica for said order. Customer expressly waives the right to claim consequential or incidental damages.

Legal Action

This Agreement will be governed by the laws of the State of Maryland. Jurisdiction and venue for any legal action arising out of or relating to this Agreement will reside exclusively within a Court of competent jurisdiction in Kent County, Maryland. Customer expressly waives its right to a trial by jury on any issues relating to or arising out of this Agreement.

Payment Obligations

Customer agrees that the payment obligations arising under this Agreement will not be impaired, modified, changed, released or limited in any manner whatsoever by any impairment, modification, change, release or limitation of liability of the Customer by its estate by reason of the commencement of any case, proceeding or other action seeking reorganization, arrangement, adjustment, liquidation, dissolution or composition of it or its debts under any law relating to bankruptcy, insolvency, reorganization, relief of debtors, or seeking appointment of a receiver, trustee, custodian or similar official for it or all of its property.

Waiver

The waiver or acquiescence by Angelica of strict compliance with any term or condition will not constitute a waiver of any subsequent default or failure.

Plant Patents and Licenses

The patented and licensed plants contained in this listing are sold under license from the patent owner.

DISCOUNT PRICING

Discounts

Our discount policy is intended to make Angelica Nurseries your primary year-round source for top quality woody ornamental plant material. Key provisions are as follows:

Discounts are evaluated annually based on current volume and cancellations not made in accordance with our company policy.

A customer will move to a higher discount whenever the cumulative volume based on completed invoices for the current year qualifies them for the next level. This discount will be applied to future invoicing.

This discount applies to all plant purchases from our field-grown Landscape Material Line. Anthony Tesselaar International products, (ATI) and Angelica's boxed specimen container line are subject to a limited discount.

Multi-location customers and buying groups should contact customer service for the applicable discount schedule.

Discount Schedule for Single Location Customers

\$ 5,000 to \$ 10,000	10%	\$ 60,001 to \$ 70,000	16%
\$ 10,001 to \$ 20,000	11%	\$ 70,001 to \$ 80,000	17%
\$ 20,001 to \$ 30,000	12%	\$ 80,001 to \$ 100,000	18%
\$ 30,001 to \$ 40,000	13%	\$ 100,001 to \$ 125,000	19%
\$ 40,001 to \$ 50,000	14%	\$ 125,001 and up	20%
\$ 50,001 to \$ 60,000	15%		

THOUSAND RATE PRICING

Thousand rate pricing items can receive an additional 5% discount for large quantities of single variety and size items. To qualify, quantities of a single variety and size must equal or exceed 250 pieces or \$5,000. We must be able to tag and dig at one time. Time periods for thousand rate pricing are below.

Time Periods for Thousand Rate Pricing

Deciduous Material - October 1st through April 1st

Evergreen Material - October 1st through May 15th

2 FARM MATERIAL

Pricing for 2 Farm material remains in effect through August 1, 2013 and will not be subject to regular price increases. Regular quantity and volume discounts apply. Thousand rate pricing is applicable throughout the harvesting season. Summer dig charges may apply when conditions warrant. Quantity minimums are to be followed.
